Mission statement

We seek to provide the widest range of experiences, but also the opportunity for children to achieve their full potential. Children at Churcher's thrive in an atmosphere of high expectation but even higher achievement within a happy, well-disciplined, safe and caring environment.

Excellent examination results are clearly important; the achievement of these forms a core element of a child's time here but equally, the development of self-esteem, resilience, tolerance, moral values and leadership are vitally important parts of a child's education.

By developing the full academic, creative and sporting talents of the girls and boys, within the context of non-demoninational social and environmental awareness, our aim is to fully prepare them for all they will face in the dynamic and challenging world in which we live.

We aim to inspire the pupils of Churcher's College to become confident, responsible, respectful and selfless citizens in a world which will require gifted, flexible young people of character, dedication and compassion.

A guide for parents

Churcher's College is an independent day school for girls and boys offering Nursery, Junior, Senior and Sixth Form education.

The school is hosted on two campus sites in Hampshire enabling the Junior School and Nursery pupils to flourish in their own beautiful grounds in Liphook, whilst maintaining close links to the Senior School and Sixth Form located in nearby Petersfield. Both sites offer on-site playing fields and unrivalled facilities, providing the comfort and opportunities of an open, green environment.

ADMISSIONS

We welcome girls and boys from the age of 3 years into our Nursery. Other key entry points are 4+ (Reception) and 7+ (Year 3) at the Junior School or 11+ (Year 7) and 16+ (Sixth Form) at the Senior School.

Entry at other points may be possible, depending on the availability of places.

Our Admissions Team are always happy to help so for any enquiries please contact admissions@churcherscollege.com or call 01730 263033.

To apply for a possible place for your child please register your interest via our website (www.churcherscollege.com/admissions).

Joining Nursery or Reception

Places fill quickly at the Junior School and Nursery so early registration is recommended to start your child's journey at Churcher's College.

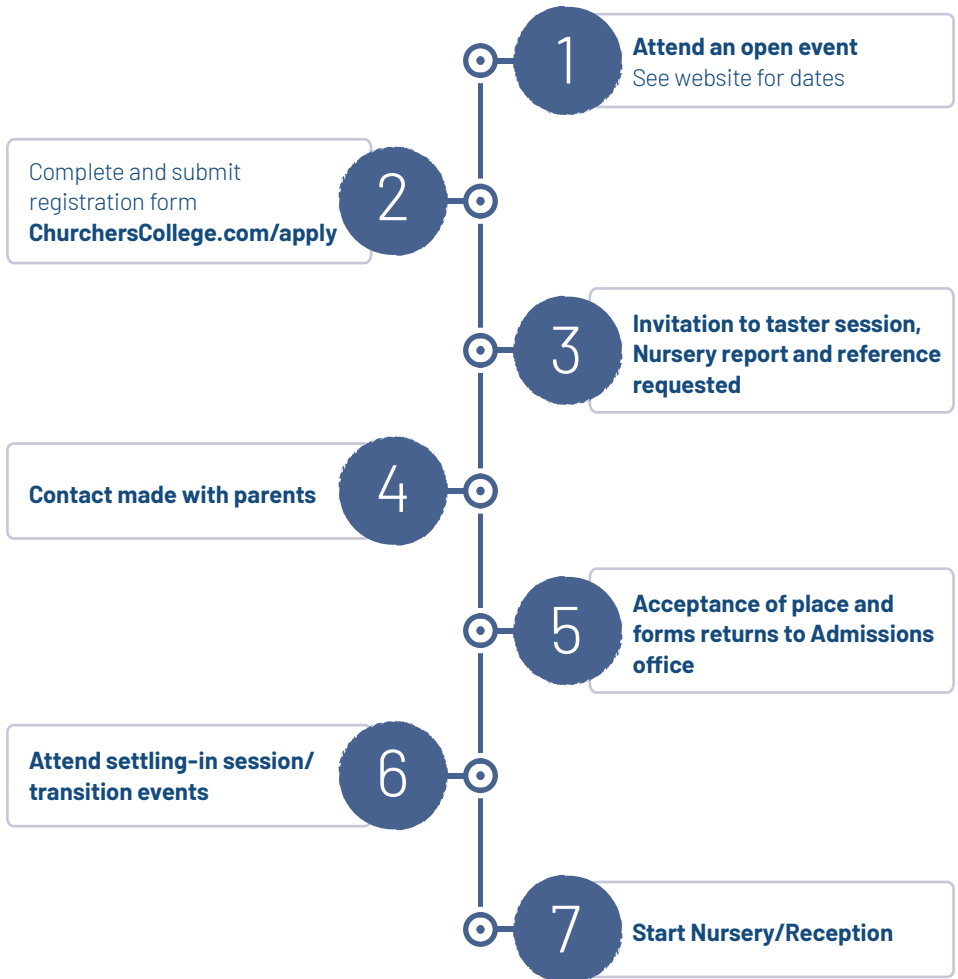

Churcher's College Nursery is open to children from the term after their third birthday and minimum sessions apply. To ensure a smooth transition into Reception, we recommend your child attends our Nursery where they will benefit from familiarity of routines, specialist teachers and familiar surroundings, making an easy start to formal school in Reception.

Get in touch if you are interested in joining Churcher's College from Reception as demand for places is high.

The process to join Nursery or Reception is as follows:

1. After registering online, we will invite you and your little one to visit us. This is so that we can ensure that the school can meet your child's needs. This takes around an hour and will be an opportunity for them to familiarise themselves with our environment. You will also be able to chat with us so that we can get to know you and your child.
2. If your child attends a day-care nursery, we will seek their latest report and a nursery reference related to age-related milestones.

Admissions steps: Nursery / Reception

Joining the Junior School at 7+ (Year 3)

To join us in Year 3, please register your interest by completing our online registration form. The process is as follows:

1. At the end of January each year, there is a 7+ (Year 3) assessment morning which registered candidates are invited to attend. Your child will be assessed in English (spelling, reading, comprehension and writing) and Mathematics; the morning will also include some fun activities including team games. Following this, offer letters are sent to successful candidates by mid-February.
2. With your permission, we request a reference from your child's current school for further information about your child.

Transition from the Junior to the Senior School

The majority of pupils transfer successfully to the Senior School. Junior School pupils get to know our Senior School through visits and events both at the Junior and Senior School, including Science Gophers lessons, Music events, Hockey and Swimming. These embedded links help ensure a smooth transition for our Junior School pupils when the time comes for the move at 11+ to the Senior School.

Junior School Bus Service

We operate a link bus between the Senior School in Petersfield and the Junior School in Liphook. In the morning, the bus leaves the Senior School at 8.10am. In the afternoon, it leaves the Junior School at 4.40pm arriving at the Senior School at 5.00pm. The bus link is very popular and parents are asked to book children in advance by term to secure a place.

Admissions steps: 7+

Joining the Senior School at 11+ (Year 7)

Children applying for 11+ entry to the Senior School will be invited to participate in a selection process that involves:

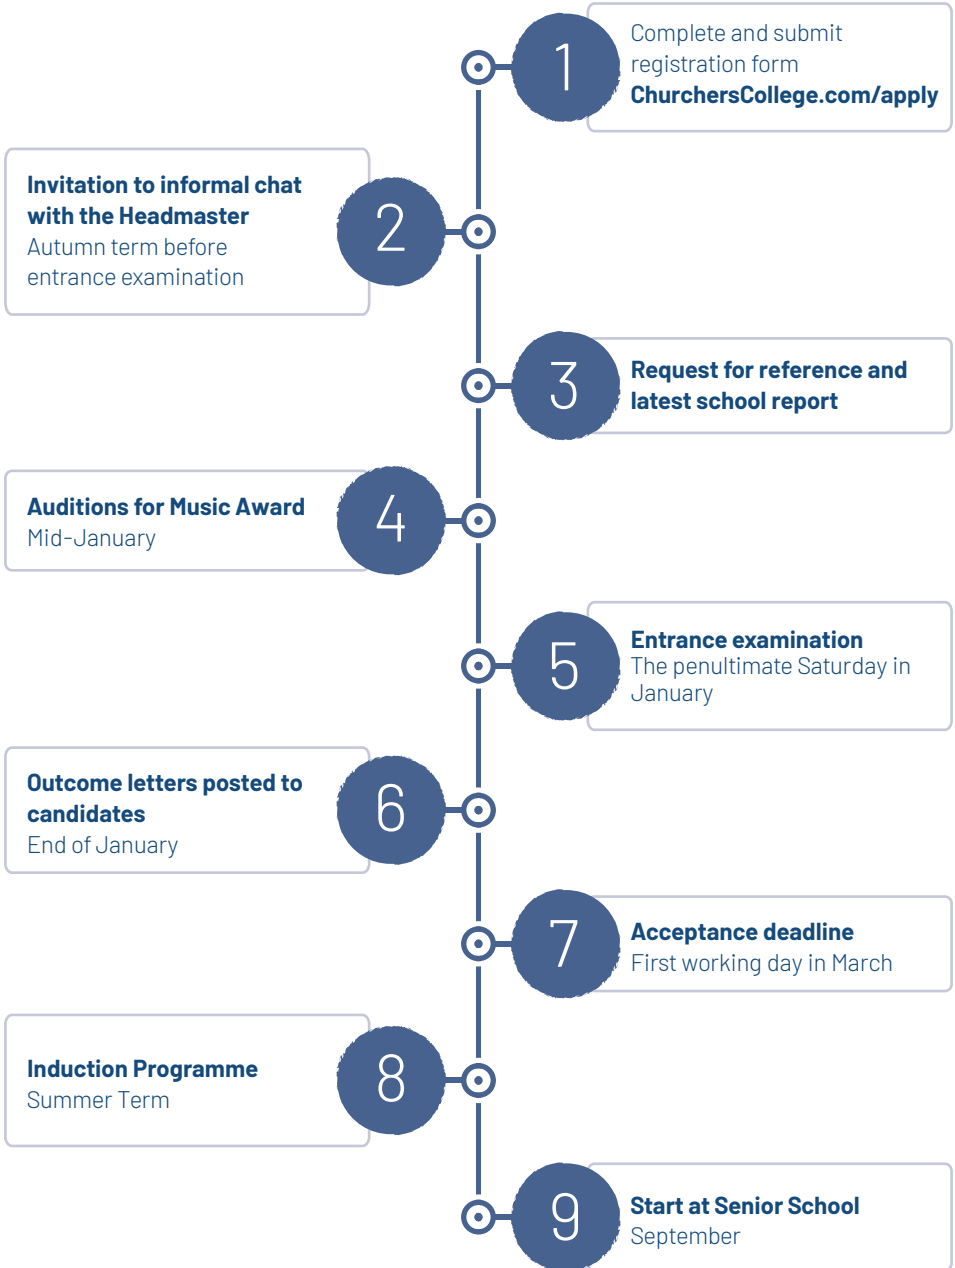

1. An interview or 'informal chat' with the Headmaster. This will take place over the Autumn Term of Year 6 (prior to the entrance assessment). Candidates will be asked to complete a questionnaire to bring with them to the chat, which takes place with the child only and lasts approximately 15 minutes. A reference and recent report will also be requested from your child's current school with your permission.
2. The entrance assessment. We test core learning skills in English, Maths and Verbal Reasoning and cover Year 5 national curriculum topics. Children will complete a 30-minute creative writing task followed by a 45-minute Maths paper, both set internally by our Heads of Department. The final 45-minute paper from GL Assessment has two parts; Comprehension/Spelling and Grammar (SPaG) and Verbal Reasoning. The assessment is held at the College on the penultimate Saturday in January of Year 6.

Candidates who are living overseas may take the tests under exam conditions at their current school. Interviews can be held online through a video call.

An application for your child to be included in our entrance assessment procedures should ideally be submitted over the summer between Year 5 and Year 6. Although there is no deadline, we encourage early registration but no later than October half term. Letters communicating the outcome are sent no later than ten days after the entrance assessment. The acceptance deadline is the first working day in March. All those who accept their offer of a place will receive further details of our extensive induction programme, as well as a login and access to our parent portal MSP (My School Portal). New starter forms will need to be completed by May as part of the joining process.

Entry at 13+ (Year 9) is limited with very few places available. Applications are accepted and the entrance assessment process runs in parallel with the 11+ cycle and timings as highlighted above. Candidates take a one hour online test covering English, Maths, Verbal and Non-Verbal reasoning skills. They will also sit a 30-minute creative writing task.

Admissions steps: 11+

Joining the Sixth Form at 16+ (Year 12)

Students can join Churcher's College in the Sixth Form, benefiting from the structure and space to develop academically and personally.

We hold a dedicated Sixth Form open evening each year in the Autumn Term, offering both internal and external candidates the opportunity to meet members of staff, explore subject options, view the facilities, and talk to current Sixth Form pupils.

If you are joining us from another school, there will be an interview with the Headmaster and Head of Sixth Form over the Autumn and Spring Terms of Year 11. The interviews last approximately 20 minutes and a questionnaire is shared which will need to be completed and brought to the interview. Conditional offers are made to successful candidates following the interview if the applicant's predicted grades meet our entry requirements.

Students may be accepted to the Sixth Form on the basis of their GCSE results. Students require a minimum of 33 points from their best six GCSE results with at least a Grade 7 or 8 in two subjects to be studied at A Level. This conditional entry requirement may be amended on a case-by-case basis and is subject to change over time. Places will be confirmed once the GCSE results have been published and conditional grades have been met.

The deposit will be returned if the stipulated grades are not achieved. However, if grades are met but you choose not to take up the place, after acceptance and payment of deposit, the deposit will be retained by the school.

All those who accept their offer of a place will receive further details of our extensive induction programme, as well as a login and access to our parent portal MSP (My School Portal). New starter forms will need to be completed by May as part of the joining process.

Admissions steps: 16+

Value-Added Analysis

Cambridge University's Centre for Evaluation and Monitoring provide a service which compares the achievements of children of the same age and baseline ability across the country. Their analysis is based upon a series of psychometric tests taken in Year 7 (MidYis), Year 11 (Yellis) and Year 12 (ALIS). In the case of MidYis and Yellis they are considering value-added to GCSE and with ALIS, value-added to A Level.

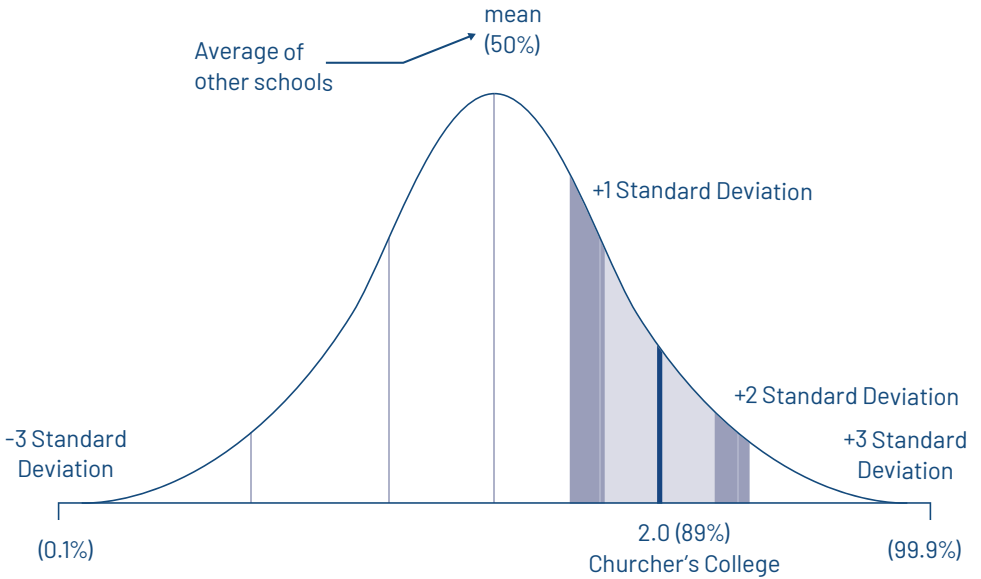

If the value-added is the same as for children of similar ability at similar schools, the score will be zero. If the value-added is a positive number, then it exceeds expectations with a score of 1 equating to a whole grade better.

The graphs below show the value-added for the previous years. The analysis for the academic year just gone are not published by Cambridge University until after the printing of this booklet. The most up-to-date information will be available via the website.

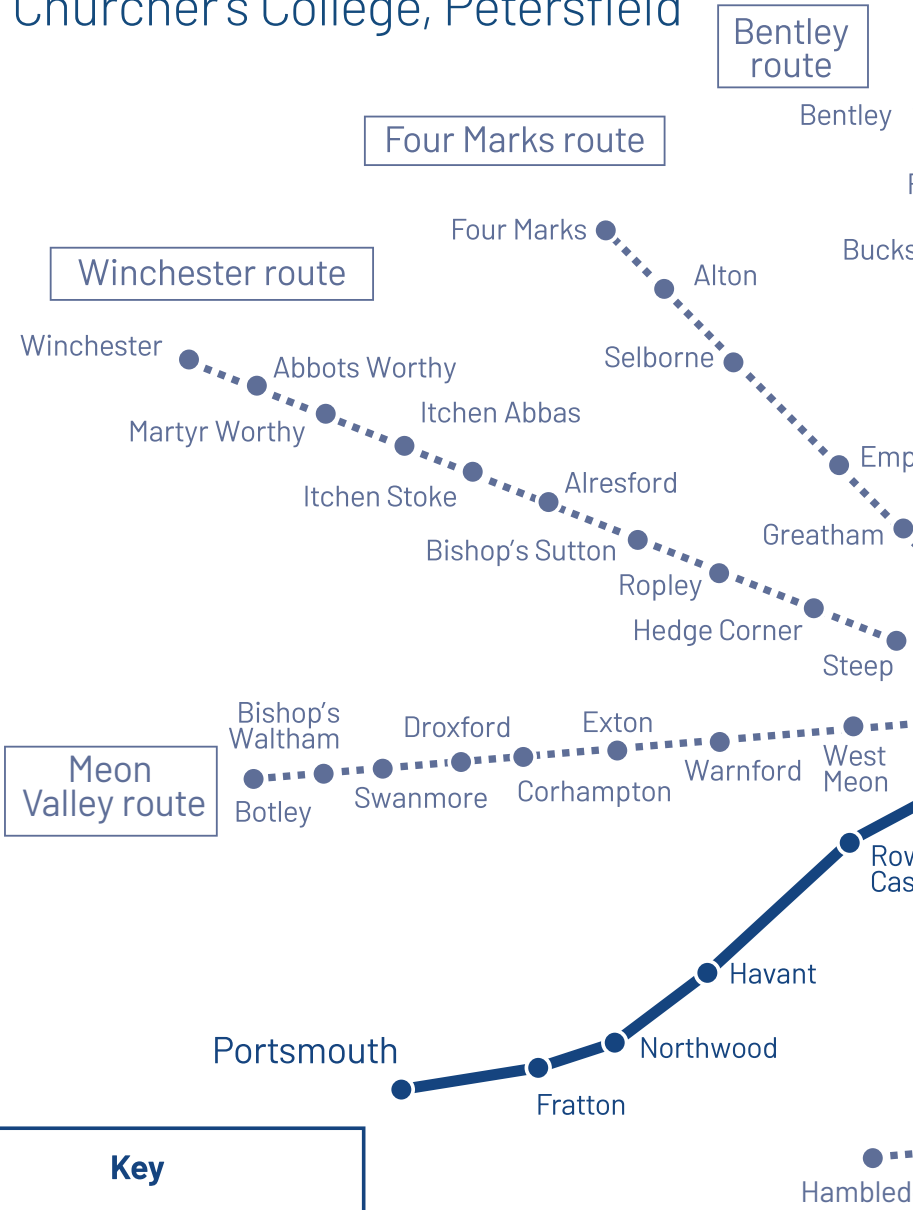

ALIS - A Level Value-Added

Comparison of Churcher's College overall A Level value-added with schools/colleges nationally

The background area is a normal distribution graph representing the distribution of the average value-added (standardised residual) scores for all schools/college in ALIS. The solid blue line is the value-added score for Churcher's College.

Transport routes to Churcher's College, Petersfield

Senior School transport details

Churcher's College currently runs eight bus services from Bentley, Chichester via Midhurst, Hambledon, Churt, Farnham, Four Marks/Alton, Meon Valley, and Winchester/Ropley *The fares shown are for the Autumn 2024 Term of 14 weeks. Charges for Spring & Summer Terms are less as they are shorter terms. Please note that pick up/drop off points may be altered slightly to accommodate pupils along the route. Each table shows an example termly fare as well as a comparable weekly fare.

Fees and charges 2024/25

Registration Fee and Deposit

There is a non-refundable registration fee of £100 (Nursery) and £120 (all other years) per child. Places are offered based on the results of an assessment or entrance examination or GCSE results, as applicable. Upon acceptance of a place, parents are required to pay £1,200 deposit and digitally sign our Terms of Admission and submit via DocuSign.

Tuition Fees Per Term

Senior School & Junior School	Autumn Term, no VAT	Spring & Summer Term, including VAT
Senior School (All Years)	£6,650	£7,700
Junior School Years 3 - 6	£4,745	£5,495
Junior School Years R - 2	£4,445	£5,147
Junior School Year R (EYF)	£3,317	£3,997 / £4,270

The fees shown are for payment by termly or monthly Direct Debit, which attracts a 3.5% discount for Spring Term 2024/25 onwards.

The fees are also inclusive of examination fees and text books.

The College normally gives one term's notice of fee increases but reserves the right to increase fees at shorter notice in exceptional circumstances.

Nursery	Per Morning Session	Per Full Day with Lunch (Inc 3 hours free EYF)
Owls & Pussycats (EYF)	£39.50	£49.90

Early Years Funding (EYF) for Nursery and Reception

Parents can use up to 15 free hours EYF during the afternoon sessions (12.30 – 3.30pm) in term time only, if your child attends a fully paid for morning and lunch. If the full 15 hours are not used at Churcher’s College during the term, then parents can use the additional EYF hours at other establishments. EYF is available for Nursery children from the term after the pupil turns 3 years old and for Reception children up to and including the term in which they turn 5 years old, subject to completing a termly Parent Declaration Form.

Lunch	Per Day
Senior School	£5.45 (paid termly)
Junior School	£4.90 (paid termly)

Scholarships, exhibitions and bursary awards

Academic Scholarships are awarded in recognition of academic excellence. The majority of awards are offered following the Entrance Assessment for 11+ and 13+ candidates, when pupils are automatically considered (no separate application is required). Those already in the school will automatically be considered when entering Year 9, based on their achievements over the preceding two years. At 16+, Scholarships are awarded mainly to those already in the school through a formal process of references, interview and written exam in the Spring Term of the Fifth Year. Those applying to join our Sixth Form may be considered following their interview and invited to our Scholarship examination in March, or after publication of GCSE results. There is an expectation of a minimum grade average of 8.3.

Academic Exhibitions are awarded to pupils whose involvement in activities within the school is at an exceptionally high level and/or the wider community of Petersfield.

Music Scholarships are awarded in recognition of musical excellence. The expected standard for consideration on the first study (instrument or voice) is around Grade 5 at 11+ and around Grade 6-7 at 13+, with a second study also offered. Auditions are held in January, where applicants must play two contrasted pieces on their first study and another piece on their second study, and perform aural and sight reading tests. Applications by external pupils should be made to the Admissions office. Current pupils are automatically considered throughout their time at the school. Consideration may be given to candidates offering instruments in short supply at the College. Awards come with either 5% or 10% fee remission.

Music Exhibitions are awarded to pupils for a specific instrument where the school reimburses the cost of the individual music lessons.

All Scholars and Exhibition holders are required to maintain the highest standards in achievement and behaviour at the school. Music Scholars and Exhibition holders are required to be supportive of school music making and to take part in music groups as required by the Director of Music.

Bursary Awards are funded by the Richard Churcher Foundation who raise funds to support a limited number of bursaries for existing and prospective pupils at both schools. All bursaries are means-tested and can be awarded in cases where it would not otherwise be financially possible for the pupil to join or remain in the school. As a guide for the 2024/25 academic year, to

be considered for a 75% award gross parental income must be in the range £42,200 to £55,500 depending on assets. All bursaries are subject to review periodically and in the event of any material change in parental income or assets.

Following an offer of a place, applications to be considered for a bursary can be made via an online form and provision of supporting documentation. Please contact the Head of Finance if you have any questions about the process at feebilling@churchemcollege.com.

Curriculum Support

Children may require, and qualify for, access arrangements for their entrance assessment. These are agreed prior to the assessment. Access arrangements allow children with specific needs to have fair, reasonable adjustments to the assessment without altering the nature or integrity of the assessment. Specific needs include learning differences, physical disabilities, medical conditions and sometimes temporary injuries. We use the JCQ document *Access Arrangements and Reasonable Adjustments* to inform which needs qualify for what arrangements. This document is available online and is updated every academic year.

Any specific need should be both supported by professional diagnostic reports and be your child's normal way of working within their current school. A professional report may be: a dyslexia diagnosis by a suitably qualified practitioner; an ADHD diagnosis by a clinical psychiatrist; a letter from a specialist paediatric service in the NHS.

The most common arrangements are: 25% extra time, supervised rest breaks, use of word processing. If your child has an existing arrangement but no formal diagnosis then supporting evidence must include age appropriate, standardised tests, conducted no earlier than the previous academic year, ie Y5 or Y7, along with official confirmation from their current SENCO equivalent.

Each application is considered individually against the JCQ criteria, their normal way of working and the professional report. In line with JCQ, arrangements must not advantage the pupil. Assessments and/or reports will be requested as part of the application and admissions process. In cases where a child may benefit from a weekly 1:1 session to support their learning, a lesson can be scheduled, which would incur an additional charge. Parents are welcome to speak to our Curriculum Support team if further information is required.

Senior School extra-curricular opportunities

The programme varies from year to year, dependent upon pupil demand, and is set early in September of any given academic year. An example of the range of activities available is listed below (subject to change).

Adventurous Training	Debating Society	OSCA Adventure Club
Air Rifle Shooting Club	Design & Technology	Philosophical Society
Art Clubs	Devizes to Westminster	Puzzles and Board games
Ceramics	Canoe Marathon	Dark Room Photography
Textiles	Digital Photography and	Riding Club
Life Drawing (Sixth Form)	Photoshop	Running Sprints and Cardio
Basketball	Drama Clubs	Training
Book Club	Duke of Edinburgh Award	Science Clubs
Charities Club	Scheme	Swimming
Chess Club	Fencing Club	Table Tennis
Christian Union Club	Fitness Club	Tennis Club
Combined Cadet Force (CCF)	Football Club	Ten Tors & Charlton Chase
Army, Navy, RAF	Gaming Club	Tycoon Programme
Climbing	Gophers Science Club	Singer/Songwriter Club
Club Français	Graphics Club	Sketchbook Club
Community Action Service (CAS)	Greenpower Car Club	Senior & Middle School Expeditions
Coding Club	History Club	World Challenge
Computing Clubs	LAMDA	First Challenge
Cosmetics Chemistry Club	Literacy Club	Water Polo
Cross Country Club	Martial Arts	Young Writers Club
Dance Club	Model United Nations	
	Music Tech Club	
	Open Water Swimming	

Music Ensembles:

Barbershop	Recorder Group
Blues Group	Rock School
Brass Groups	Senior Choir

Street Dance

String Ensemble & Wind Band

Tap Dance

The Big Sing!

Ukulele Club

Yoga

Individual private music lessons

Churcher's College offers the opportunity for pupils to take individual, private music lessons with visiting professional music teachers during the school day. Pupils can also put instrumental music knowledge into practice via the various Performing Arts opportunities on offer.

The relationship between the music teacher and parent is direct and all fees, terms and conditions will be dealt with individually with your chosen music instrument teachers.
