

Uniform Policy

All pupils are required to wear the school uniform whilst at school, whilst travelling to and from school, when representing the school and at formal school functions.

Uniform requirements for each section of the school are set out in the following documents:

- Churcher's College Junior School & Nursery Uniform Booklet
- Churcher's College Senior School Uniform Code

The school is grateful for parental support in ensuring that pupils adhere to the relevant school uniform requirements. However, the school acknowledges that there may be instances where variations to the school uniform are appropriate for particular pupils, for example, for genuine religious requirements, where there is a particular pastoral issue or in the case of reasonable adjustments for children with a disability.

The school will consider reasonable requests for variations to the school uniform on a case-by-case basis. In the first instance, parents should communicate any such requests as follows:

- Junior School & Nursery – Mrs Yugin-Power, Deputy Head
- Senior School – Mr Hoe, Senior Teacher (Wellbeing, Inclusion and Safeguarding)

How to purchase uniform

Uniform can be purchased from www.perryuniform.co.uk. Home delivery and returns are free of charge for standard delivery."
